

# Runi Goswami

## Senior Product Designer

### EXPERIENCE

#### Senior UX Designer

CBRE Build • New York, NY

Jan 2017 - Present • 3 years

Created and spearheaded adoption of our in-house design system (BlocksDS) across 7 product teams, decreasing our average go-to-market time by 75%.

Organized and led cross-discipline product workshops; creating user journey maps, wireframes, prototypes, and user testing plans for the company's broker operating platform.

#### Product Designer

Floored • New York, NY

Apr 2016 – Jan 2017 • 1 year

Collaborated with the engineering team to prototype, design, and deliver interactive 3D visualization software for commercial real estate leading to the successful acquisition of Floored by CBRE.

#### Lead Designer

DALI Lab • Hanover, NH

Aug 2013 – Oct 2015 • 2 years

Lead and advised 25 project teams of undergraduate designers and engineers. Designed and coordinated 3 month interactive library exhibit, responsible for a 35% increase in lab applicants.

### EDUCATION

#### MS in Computer Science

Dartmouth College

2013 – 2015

Culminating thesis project FrameShift accepted and presented at SIGGRAPH 2015.

#### BA in Neuroscience

Dartmouth College

2009 – 2013
